

MEMORANDUM FOR: C/PPG

Approved For Release 2005/08/15 : CIA-RDP87B01034R000200030103-7

In general, I find this to be an excellent paper and fine staff work. The input from PSI has certainly improved since I left -- darn it. However, I am confused about 1a, in that the first sentence seemingly contradicts the last sentence, leaving the impression that we are both for and against Section I-706. The [redacted] language seems clearer to me. What think you?

[redacted]
